

# Titan Hobby

## 3 Part Folding Timber Loft Ladder

- 3 Section folding attic ladder - requires no headroom or storage space in the loft.
- Ladder made of solid spruce
- Nice finish with white faced trapdoor
- Rubber draught excluder contained in casing prevents loss of heat and draught
- Floor to ceiling heights up to 2830mm
- Non-slip treads for extra security
- Hidden trapdoor hinges make it easy to paint, varnish or clad the trapdoor
- Casing and trapdoor with a rebate for extra tight closing
- Easy operation - delivered with push / pull rod made of wood
- Easy and quick installation - fully assembled and ready to install
- Opening Size required: 700mm x 1200mm
- Maximum working load: 150kg
- Approved to European Standard: 14975

Optional Extras available:

Titan Hobby Feet  
Ref: TDH29F

Timber Balustrade
