

Zarges ZAP3 Adjustable Podium Step

New Product! The ZAP 3 is now PAS250 compliant.

The Platform steps for Working at Heights of up to 3.20m - developed according to the latest EU Directives for Working at Heights.

- ◆ Large standing platform (680mm x 600mm) with guardrail ensures maximum work safety. Comfortable standing for longer periods of work requiring the use of two free hands.
- ◆ Adjustable platform heights of 0.40m, 0.80m, 1.00m & 1.20m.
- ◆ Comfortable height locking by means of foot lever.
- ◆ The platform can be pushed thanks to two lockable castors - enabling you to change sites quickly and easily.
- ◆ Can be quickly folded for transportation - closed dimensions: 1.74m x 0.74m x 0.56m
- ◆ Large steps for safe access - steps are horizontal at every lockable height.
- ◆ Weight: 40kg

CODE	PLATFORM HEIGHTS	MAX WORKING HEIGHT	WEIGHT
41330	0.40/0.80/1.00/1.20m	3.20m	40.0kg
