

Sherpamatic Work Platform

- ◆ Sherpamatic Mobile Work Platform with Stabilisers for Maximum Stability
- ◆ Platform's new anti-cut design significantly reduces the risk of injury when handling the product.
- ◆ Guardrail system includes an automatically closing gate, providing the user with 360° protection from falls.
- ◆ The Sherpamatic Work Platform is similar to the Sherpascope model but has a fixed number of treads. In line with the new work at height regulations.
- ◆ Very stable design, prevention of toppling from front, rear and sides
- ◆ Large work Platform - 600mm x 420mm
- ◆ 80mm Deep treads for comfortable access.
- ◆ Adjustable stabilisers make the Sherpamatic platform ideal on uneven ground
- ◆ Stabilisers can be closed for use against walls
- ◆ Large platform (600mm x 420mm)
- ◆ Standards NF P 93-353 (for 3,4,5 & 6 Treads) NF P 93-352 Certified (7 Tread)
- ◆ Browns Ladders offers a 12 month warranty on all items.
